

- **[S]** Student should access the material uploaded for each module grouped by sessions.

**Files (Materials) are uploaded to session, not module.**

Tutor

- **[S]** Tutors should be able to upload material for a given session of a module.

**Some Requirements are repetition of previous ones, such as “view hours tutored”, and**

**some requirements are very generalized such as “manage module and sessions”.**

**1. Keep requirements consistent.**

**2. Be more specific with requirements.**

**3. Change Basic functionalities to “System Core”**

**4. IDs are all over the place, keep ids sequential.**

**These requirements need to be updated.**
